Re: Public Records Request

Dear Mr. Snow:

The Solano County District Attorney's Office is in receipt of your letter dated October 5, 2016. Having come within 10 days of receipt of the request, this responses is timely under the CPRA (Gov't Code §6253(c).)

Specifically you have requested the following:

"In this request, I seek all agency records documenting or discussing whether or not the Solano County District Attorney's Office uses or utilizes its own camera registration list or any list operated by another government agency, such as a Sheriff's Department or local police department, or by a private company or party.

This request also applies to all documents in the District Attorney's Office possession, including electronic records, such as emails. It also includes documents created by a member of another government agency or a member of the public, including private companies, contractors, manufacturers, or vendors. If specific portions of any documents are exempt from disclosure, please provide the non-exempt portions."

Please be advised that our office does not have or utilize its own "camera registration list" nor does it have any collaboration with any other agency for these services.

Sincerely,

Krishna A. Abrams
District Attorney
